# How to Change a Password Or Update Your Email

The next few slides show you how to change your password to access the website's "member's-only" content and how to update the email address associated with your account.

Go to the website at <https://catalina22.org>

Click on the icon shown below to continue.

Log in using your *Username* and *Password*.

Press “Log In” to continue.

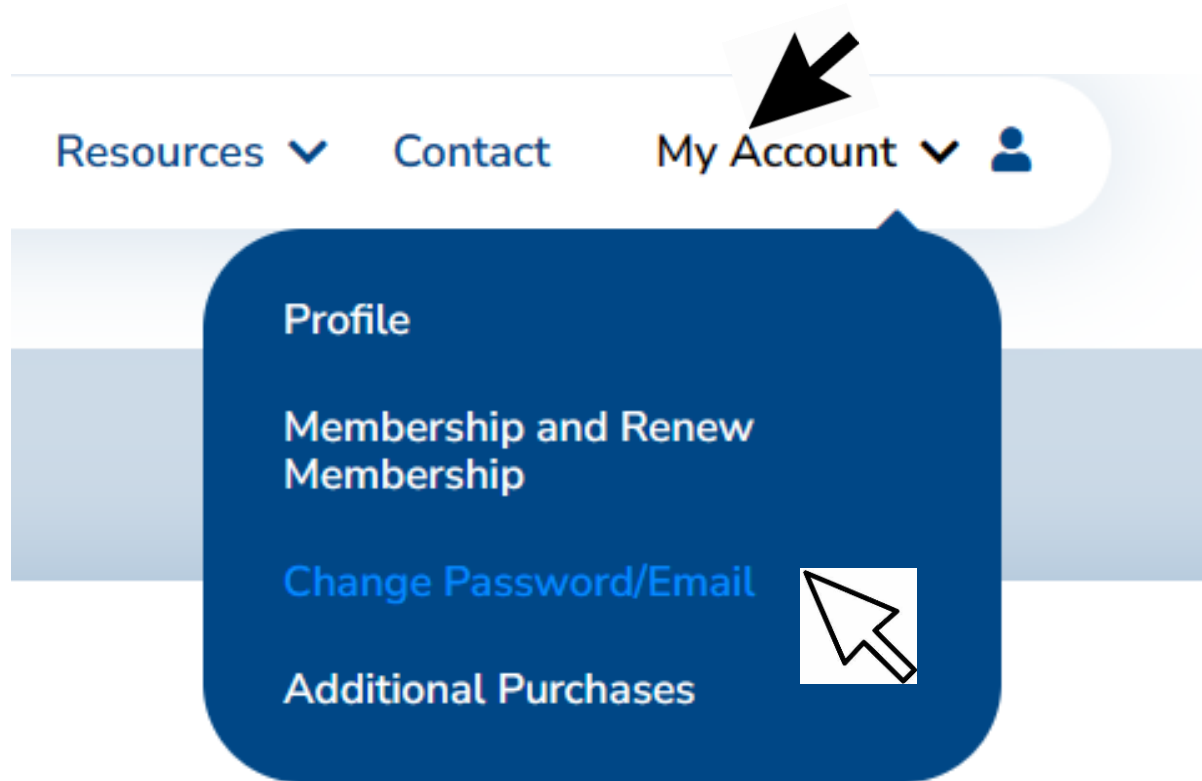

If you forgot your password or username, then go here.

The image shows a login form on a blue background. It features two input fields: 'Username' with a person icon on the right, and 'Password' with a yellow eye icon on the right. Below these is a 'Remember Me' checkbox. A dark blue 'Log in' button is positioned below the checkbox, with a white mouse cursor icon hovering over it. At the bottom of the form, there are three links: '[Forgot your password?](#)', '[Forgot your username?](#)', and '[Join Catalina 22 NSA](#)'.

After you are logged-in, hover your mouse on (or click) *My Account* and a blue menu box will appear.

In the blue menu box  
click on  
***Change Password/Email***

This will take you to an  
“Edit Your Profile” page.

## Edit Your Profile

Name \*

Your name shows here (cannot be changed)

Username

Your Username shows here (cannot be changed)

*If you want to change your username, please contact a site administrator.*

Password

Confirm Password

Email Address \*

Your email address shows here – you can change this.

You may now edit your profile – password and email address only.

Your existing password is not displayed.

You may enter and view your new password.

You may enter a new email address.

When done, scroll down and select Save or Cancel.
