

Benefits of Membership

Catalina 22 National Sailing Association

www.catalina22.org

Camaraderie – Membership in the Catalina 22 National Sailing Association provides you with the opportunity to develop and share a unique camaraderie with other Catalina 22 owners. Whether you race or cruise, you will find great Catalina 22 camaraderie.

MainBrace – read the official new publication of the Catalina 22 National Sailing Association that has been in continuous production since 1972. The **MainBrace** keeps our membership informed of Catalina 22 regattas, race results, cruises, technical tips, and serves as a forum for Catalina 22 owners.

Regattas – The Catalina 22 class has an active racing calendar that includes regattas at the local, regional, and national level. Membership in the Association is a requirement to participate in the annual Catalina 22 National Championship Regatta that attracts Catalina 22 owners from across the United States.

Cruises – Ownership of a Catalina 22 makes it easy to trailer to other geographic areas to participate in Catalina 22 cruises that you will learn about from the **MainBrace** magazine. Catalina 22 cruises can be found on the East Coast, Northern Gulf Coast, West Coast, and Great Lakes region. Check out the Catalina 22 Cruising Club on the website and read over 35 Catalina 22 “Destination” articles about trips members have enjoyed in their Catalina 22.

Technical Tips – The 2006 Catalina 22 Technical Manual is available to C22NSA members on CD-ROM or as a PDF file download. Also included are the *2014*, *2017* and *2019 Tech Manual Updates* with over 700 pages of technical tips and drawings prepared by other Catalina 22 owners.

Fleet Development – The Association makes it easy to start a fleet in your area and enjoy organized sailing activities with other Catalina 22 owners. Simply find three Catalina 22 owners, have each join the Association, submit a Fleet Charter Application, then utilize Association resources to help promote Catalina 22 cruises and races.

Special Awards – each year the Catalina 22 National Sailing Association recognizes exceptional members based on their contributions and participation with special awards presented at the C22NSA Annual Meeting.

Boat/US Discount – Receive a group discount from Boat U.S. of 50% off their annual membership dues. Additional benefit includes additional savings at Boat U.S. and West Marine stores. The Boat/US discount membership number is published in **MainBrace**.

Catalina 22 National Sailing Association Publications:

- Catalina 22 Buyer's Guide and Estimated Value Calculator
- Catalina 22 History
- Catalina 22 Parts Catalog
- Catalina 22 Destinations
- Catalina 22 Reviews (all four C22 models)
- Northern Gulf Coast Cruise: A Collection of Stories 1998 to 2017
- Catalina 22 University

Other Publications:

- Tuning Guides
- Brochures
- Owner's Manuals (all four C22 models)

Mainsheet – members may also subscribe to **Mainsheet** magazine, the official publication of Catalina Yachts that contains information about sailing activities of other Catalina owners and fleets. There is an additional charge for this magazine.

Catalina Yachts – the Catalina 22 National Sailing Association maintains a positive working relationship with the builder of the Catalina 22 – Catalina Yachts. The Association also provides feedback to Catalina Yachts on the Catalina 22 design or construction to help maintain the class one-design requirements.

\$25 per year is a great investment in Catalina 22 sailing fun!
