Catalina 22'

Cat

Catalina 22'

The Ideal Family Fun Cruiser . . . plus Trailerable rugged, Ocean Racer . . . the new Catalina 22' gives you the best of BOTH! Her high performance hull and full masthead sail plan make the Catalina 22' a tough competitor. Deck and hull hand lay up reinforced fiberglass laminate with non-skid surfaces and colors permanently molded in. The hull is designed for maximum safety and a beam of 7' 8" plus a draft of 4' 11" with board lowered give exceptional stability. The quality fiberglass construction and unique retractable keel make her an ideal trailer boat that lets you enjoy the fun, with greater economy and far less maintenance. The retractable keel has a locking device en-

suring that the keel remains secured in any desired position. Below, the Catalina 22' is a masterpiece of functional planning that features a standard formica dinette table that seats five, loads of storage space, and room for an optional, enclosable marine head. Five can sleep aboard in comfort . . . two forward bunks, settee bunk, and double dinette bunk. Excellent workmanship is the trademark of Catalina Yachts and the new Catalina 22' carries this proud reputation forward. Compare the Catalina 22' with any boat her size . . . feature for feature . . . dollar for dollar, she can't be beaten.
